CONTINUATION OF THE WIPA
PROGRAM

Mr. BAUCUS. Mr. President, I rise today to express my disappointment and frustration that the Work Incentives Planning and Assistance program also known as WIPA run by the Social Security Administration is being shut down today. Congress has not acted to extend this important program and the Commissioner of Social Security does not believe he has the authority to continue the program. I disagree. I think he could continue this program under his broad authority to implement the Social Security Act. It is my belief that if he did that and that was contrary to congressional intent, Congress would express that disapproval through the appropriations process.

Let me explain what the WIPA program does. Both the Social Security disability insurance, SSDI, program and the supplemental security income, SSI, program have many provisions to assist beneficiaries in attempting to return to work, but the rules and features of the work incentives are complex and can be intimidating. Through the WIPA program, SSA makes grants to community-based organizations to provide SSDI and SSI disability beneficiaries with assistance in navigating and using the return-to-work features. The total budget for the WIPA grant

program is \$23 million a year. Because it is such a large State, Montana has two WIPA grantees. The Montana Center for Inclusive Education at Montana State University in Billings is the WIPA specialist for residents of eastern Montana. Over the last 30 months, the WIPA in MSU Billings has served over 100 Montana residents. On the western side of the State, the North Central Independent Living Services, Inc., near Great Falls runs an innovative program where the WIPA grant is dispersed among several Centers for Independent Living in order to provide more personal, one-on-one service for residents of Montana. That program has served over 220 Montana residents.

I think the WIPA program should continue. I know many Members of Congress agree. I hope the Commissioner will continue these important programs as soon as possible. Given the state of the economy today, we should not limit important services that can help our constituents who want to help themselves by attempting to work.

AUTHORIZED RURAL WATER
PROJECTS COMPLETION ACT

Mr. BINGAMAN. Mr. President, I rise today as an original co-sponsor of the Authorized Rural Water Projects Completion Act, introduced by my colleague, Senator BAUCUS. I am pleased to support this important legislation which would address the serious backlog in the construction of Bureau of Reclamation water projects that are intended to serve rural and tribal communities.
